In the company of vaudeville performers are John W. Ransome, who will be remembered for his comedy creation of the old German brewer in "The Prince of Pilsen," The Chadwick Trio, Holmes and Buchanan, Wilson and Goetz, The Three Rosebuds, Warren and Rockaway, and "The World a-Moving."

Famous "Mother's Friend" Wash Suits
At Less Than Half Regular Prices

"Mother's Friend" Wash Suits are the most famous in the United States. The "Mother's Friend" label means perfection in style, fit, and workmanship. No other wash suits produced in this country are made with such care and attention to detail, and certainly no other brand enjoys such popularity.

It is our good fortune to announce the purchase of 200 dozen "Mother's Friend" Wash Suits, which the makers sold us as "seconds," so termed because of slight faults that do not hurt the wear or appearance in the least.

So jealous of their reputation are the makers that the slightest fault, no matter how trivial, is sufficient cause for them to put the garment aside as a "second." It is this hypercritical care that has made the "Mother's Friend" Brand so famous. "Seconds" of "Mother's Friend" Wash Suits are better than other makers' "firsts."

Made of all sorts of high grade washable materials, such as Duck, Pique, Linen, Chambray, Poplin, Bedford Cord, Crashes, Cannon Cloth, Galatea Cloth, etc. All made with Bloomer Pants. Choice of Russian belted and Sailor Blouse models. Combination colors and plain designs.

Trimmed in various styles with washable embroidery or fast color braids. Sizes, $2\frac{1}{2}$ to 9 years.

The finest grades produced by these famous makers, fashioned of the finest and most expensive imported wash fabrics, such as Pongee, Pique, Linen, Poplin, Bedford Cord, Galatea Cloth, etc. Russian belted and Sailor Blouse styles, with Bloomer Pants.

Exclusive in designing and handsome in appearance to a degree not possessed by any other make. Sizes, $2\frac{1}{2}$ to 9 years. Beautifully trimmed and finished.
